Review of Mental Health Services

Thanks were given to Diana and Chris for the excellent report in response to the consultation
on Mental Health Services for Adults and Older People. This has been sent to the review
panel and a reply has been received from Sue Jones assuring us that the groups views will
be represented in the summary of feedback which will be used when a decision about the
future of the services is made.

Any Other Business

- Gordon C. talked about National Awareness weeks and suggested that we have a
diary and keep a note of all the subjects which are covered. We could contact
associations for literature and choose which ones we wanted to cover and set up a
stand in the surgery with information. Dr. Suleman agreed that we could do this.
These could also be advertised on the patients call board.
- Following the advertising re recruiting new members to the PPG a Mr Seering Taal
has expressed an interest. He has been invited to the Stress event and to the next
meeting. The next PPG network meeting is on Thursday 19th July at Herriots Hotel in
Skipton.
- Ilkley Moor Medical Practice will hold a Health Awareness Day at the Kings Hall Ilkley
on September 8th 2012

Date of next meeting - Monday 25th June 2012
